## 5 Successful Mobile Learning Strategies

**Self-Paced Study**  
Students learn at their own pace with much more time on task.

**Cooperative Learning**  
Two or three students share a Study Buddy and find solutions together.

**Parental Involvement**  
Study Buddy explains concepts. Parents and children learn together.

**Peer Mentoring**  
Older students help younger students for academic and behavioral benefits.

**Mentor Programs**  
Volunteers can help! Study Buddy shows where students need more help.

*"It tells me why I'm wrong and how to get it right!"*

## Award-Winning Educational Software

- **Mechanics** Basic Skills in English and Spanish
- **GED / HiSET** High school equivalency preparation
- **Achiever!** Built from your state standards

## Effective Self-Paced Study Process

- **PLAY LESSON** teaches the concept.
- **STUDY** gives questions with immediate feedback.
- **TEST** records scores and tracks progress.

## Study Buddy Gradebook Option

- Transfer scores from Study Buddy to your Mac or PC.
- Make assignments.
- Print report cards; show progress to parents.

*"Our evidence for RTI serving Tiers 2 and 3 shows that Mechanics was a successful tool to pull us out of school improvement and keep us out of school improvement."*

- Dr. Randy Pettus, Federal Programs Director
